

## YSHIELD® GCL | Grounding set

Grounding set for magnetic shielding film MCL61.

**Grounding set for the use with our magnetic shielding film MCL61.** The MCL61 surface is electrically insulated. Whilst screwing down the cable lug, the chopper disks will perforate the polyester film and arrange electrical contact thereby.

- **Scope of delivery:** 10 x screw, 10 x dowel, 10 x chopper disk, 10 x cable lug for 1.5-2.5 mm<sup>2</sup>
